A HEALTHY CHOICE

Coco Splash

Natural Source
of Energy
Tender Coconut Water Mix

No Additives

No Synthetic Colors

No Artificial Flavors

No Preservatives

Cholesterol Free

Low fat

COCO SPLASH Tender Coconut Water Powder Mix is your **NATURAL SOURCE OF ENERGY**, that can be used daily at your desk, as a part of your exercise hydration needs and as a daily supplement to increase your intake of naturally occurring minerals.

Naturele Coco Splash is a good selection of natural energy drink to rehydrate your body as most headaches & migraines are triggered by Dehydration. In such cases, coconut water can be of immense help in supplying electrolytes to the body and boosting hydration.

Benefits of Drinking Coconut Water

Coconut Water Powder (CWP) is a natural water powder made from the process of evaporating the water content found in natural coconuts. Using techniques that retain the natural goodness and flavour of the coconut. Simply mix this powder with water and experience your very own coconut water drink.

Low in Fats

Coconut Water Powder is naturally low in fats, calories and cholesterol making it a guilt free health food to help you achieve your goals.

Rich in minerals

Coconut Water Powder provides Hydrating Minerals such as Potassium, Sodium, Calcium, Manganese and Magnesium

Anti-aging

Contains anti-aging and anti-carcinogenic properties, which balance PH levels and keep the connective tissue hydrated and strong

PH Balancing

Coconut Water Powder helps cleanse the digestive tract, raises metabolism and boosts immunity

Improve Digestion

Contains variety of bioactive enzymes that are imperative in the digestion process.

Diverse Usage

Coconut Water Powder has many applications and can be used as a straight drink, added to intra workout blends or protein shakes and smoothies.

Difference between Canned Water and Coco Splash Water mix

Canned and Packed Coconut Water

- Pasteurizing coconut water with heat
- Adding preservatives to flavor and sweeten coconut water
- Using reconstituted concentrate instead of fresh coconut water
- Chemical Treatment
- Irradiation Process to pack in can and improve shelf life

Coco Splash Coconut Water Powder Mix

- We capture the authentic taste of tender coconut water in a powder form in a most natural way without any Preservatives, Artificial Flavours, Artificial Colours.
- It's nutritive and rehydrating beverage
- Convenient pack & Easy to carry,

*It has natural Minerals to
keep you always energetic*

Magnesium

Calcium

Phosphorus

Potassium

Empty contents into a suitable container.

Add 250 ML of cold water.

Stir gently to dissolve and serve fresh.

Let's keep fully refreshed & rehydrate yourself
